

2.1.2 Environmental Policy

Buck & Hickman is committed to the protection of the environment and will endeavour to reduce its significant environmental impacts arising from its products activities and services. Specifically the Business will;

- Comply with all applicable and relevant Environmental laws, regulations and other requirements
- Strive to conserve the resources and prevent pollution
- Strive for continual improvement in environmental performance
- Provide appropriate environmental training for employees
- Report publicly on an annual basis environmental performance against stated targets
- Review policy annually and revise it as necessary

This policy is the responsibility of the Managing Director, Buck & Hickman. Monitoring of compliance with the policy is delegated to the Loss Prevention and Quality Manager. Awareness of and compliance with this policy is the responsibility of every manager in the Business.
