

24th June 2009

GOLF AND CHARITY EQUALS THE PERFECT MRO EVENT

The first Buck & Hickman national golf day, held especially for the MRO sector on Thursday 11th June, was a huge success with leading names such as GKN, Balfour Beatty and Dunlop in attendance and over £700 raised for the NSPCC.

The event was held at the Marriot Forest of Arden Championship Course with Jason Baldwin of Eriks Ltd coming top in the individual round. The winner of the after dinner charity raffle was David Liversidge of David Brown Engineering who went home with a golf break for two.

Joe Roberts, Sales and Operations Director at Buck & Hickman, said: "Thankfully it was blue skies all day and the sun topped off what was a perfect event. The day was a great chance to strengthen relationships with new and current customers in the MRO Industrial sector and we're extremely pleased with the £745 we raised for a very worthy cause."

Attendees also competed in team, supplier and staff categories with a winner also chosen for the longest drive, the best endeavour and the nearest shot to the pin. The Buck & Hickman national golf day will now be held as an annual event.

Buck & Hickman is a leading supplier of tools, health and safety and maintenance products and is already a supplier to leading companies in the sector such as Rolls-Royce.
